Tom:

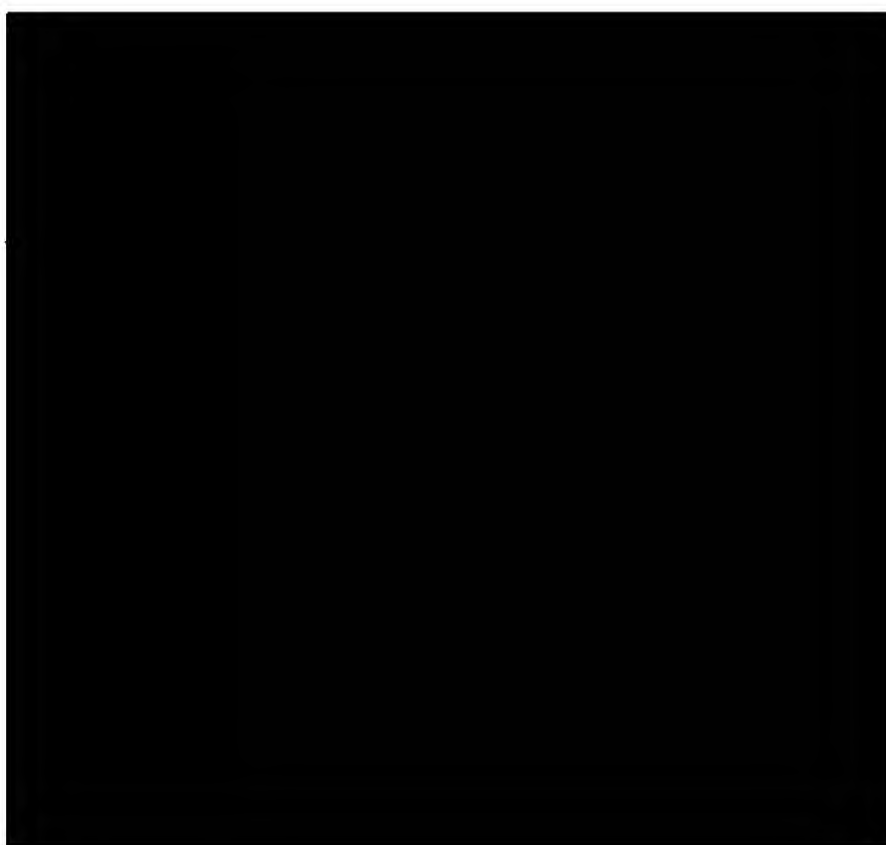

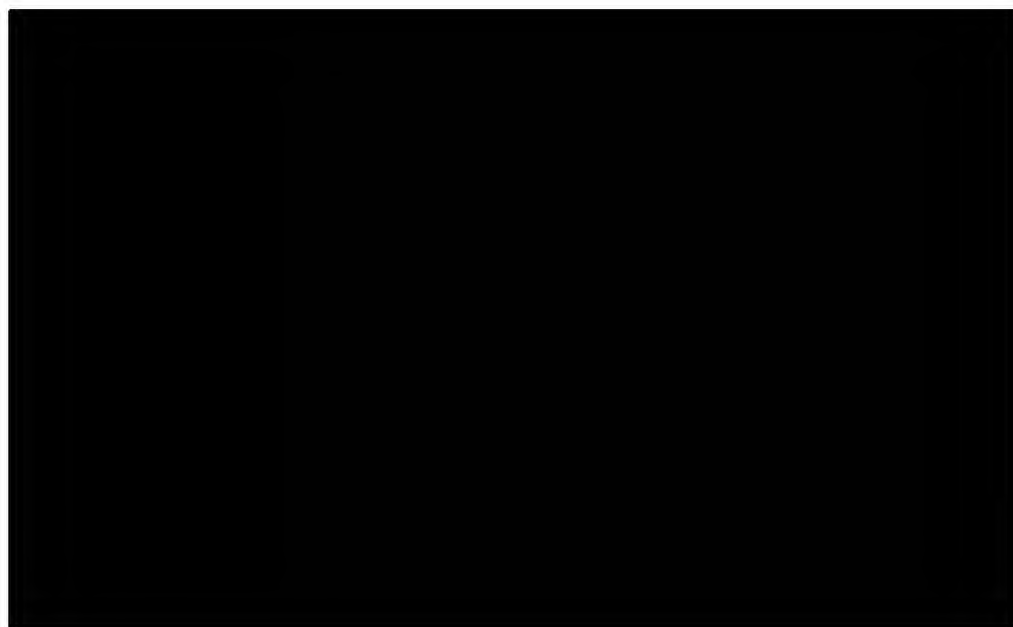

Here is that confidential file on Paul Smith. I have put in the things that I copied and sent in response to the subpoena. Do you want these records in this file or should I put them back in Troop 125's file with a notation that these are the records reflecting the name of Paul Smith??

Thank you,

Kathy

Tom:

11/5/87

I looked all through the Troop 125 folder and could find Paul Smith's name reflected on the attached registration printouts. He was associated with Scouts for several years.

Do you know of any other place information might be? If not, shall I go ahead and prepare copies of this and package it up according to the Subpena?

Thanks,

kathy

8/27/87

I had a call yesterday from Mark Barnett  
[REDACTED] of Insurance Consulting Associates.  
He said he was working for the County of  
Sonoma.

He was working on a case concerning Paul Smith  
who has been accused of child molestation by  
a group of parents. He said he had information  
that Mr. Smith had also done volunteer work  
for BSA and he wanted some information as  
to where and when he had done volunteer work.

I asked John Marshall about this and he said  
to refer it to you as you had knowledge of  
this problem.

Mr. Barnett would like a call back.

Thanks,

kathy

Dear Tom:

In April, I had written to you concerning the above named individual. We have enough information to refuse registration, but I really need more personal information for identification purposes.

Can you not give me his weight and height, as well as his race, color of eyes, occupation and marital status? All of these items will help to identify him should he try to register in some other location. We really need this information if we are to close this case and make certain we refuse the right individual should a registration attempt reach us.

Thanks for your help.

Dear Tom:

Earlier this year, we had communication concerning the above-named individual. At that time, you had a newspaper article indicating he was sentenced to prison for six years because of sexual molestation of young boys.

I really would like more information concerning this individual's personal characteristics. If you could give us information concerning his weight, height, race, and color of eyes, this will certainly help us in identifying him should he try to register somewhere else.

I will appreciate any help you can give me so we may close this case and protect the youth of America.

Dear Tom:

Thank you for your letter of February 12, 1986 concerning Paul Gilbert Smith. This information is most helpful to us and will enable us to refuse registration at a later time.

If you have any other personal information which would help us to identify Mr. Smith we would certainly like to have it. It is going to be very difficult to identify him should he try to register from some other location since we do not know his race, height, weight, or color of eyes. If anyone in your council can help you in giving us this information we would much appreciate it.

# SR man sentenced for molesting child

A 54-year-old former Boy Scout leader who became a home tutor for two boys through the Sonoma County Social Services Department's "Tutor Companion Program" has been sentenced to six years in prison for molesting a young Santa Rosa boy in 1984.

Paul Gilbert Smith, of Santa Rosa, had pleaded no contest to one felony count of lewd and lascivious conduct involving a child under the age of 14 and additional charges of sexual misconduct were dismissed.

At Smith's pre-sentencing hearing Friday, Sebastopol psychologist Dr. John Podboy said that after interviewing the victims and their families he had changed his recommendation that the defendant be placed on probation. He urged instead that Smith be sentenced to state prison.

Smith had been accused of molesting both the boys he tutored, and Podboy said both victims were extremely vulnerable. They came from single-parent homes, and their mothers were

looking for the help of an adult male to provide a positive role model for the boys.

During his evaluation of Smith, Podboy said he also became aware of additional facts that led him to conclude the case was much more complex than he had originally suspected.

The psychologist said Smith's adopted son had committed suicide in 1979 and that Smith had discussed with at least one of his victims his similarity with Smith's dead son, "and how he reminded

the defendant of his dead son." "I wasn't sure what the motivation of this was," Podboy said.

While his initial impression was that Smith's behavior involved an isolated incident, Podboy said he later changed his opinion and recommended prison.

Judge L.G. Antolfini rejected the option of sending Smith to a state medical facility for a 90-day psychiatric evaluation and ordered him to serve six years in state prison beginning Jan. 3.
